Commissioner for Patents

The substitute specification filed August 20, 2003 as paper No. 11 has not been entered due to non-compliance with 37 CFR 11.125. Therefore the existing specification yet contains claims 1-10 as originally filed. Applicants' instructions to replace claims 1-10 with newly presented claims cannot be executed and therefore the status of the claims is unclear.

A shortened statutory period of ONE MONTH is extended to remedy this defect.

Any inquiry concerning this communication should be directed to Examiner Francis J. Jaworski at telephone number 703-308-3061.
